

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

**At a General Meeting of the Society, holden
June 11, 1831, the following Rules were
adopted.**

I.

**THE number of Subscribers shall be limited to
ONE HUNDRED AND TWENTY-FIVE, of whom
four-fifths, at least, shall be Members of the
University, who shall not be eligible before they
have taken the degree of M.A. or B.C.L. One-
fifth may consist of Gentlemen who are not Mem-
bers of the University.**

II.

**All Members shall be chosen by a ballot of, at
least, five Members, and no person shall be elected
without having a majority of white balls.**

III.

**The name of every Candidate for admission
shall be placed in a conspicuous part of the Room
for, at least, fourteen days previously to the ballot,
and his recommendation shall be signed by seven
Members, as well as inserted in a book provided
for that purpose.**

IV.

Ballots for Members shall take place only during full Term. The election shall be immediately notified to the successful Candidate by the Secretary, who shall also furnish him with a printed copy of the Rules.

V.

The annual Subscription shall be Two Pounds, to be computed from the first of January in each year; every future Member shall pay, on his admission, his Subscription for the current year. The annual Subscription must be paid before the Lady Day next succeeding the period of its becoming due. The Secretary shall remind each defaulter; and should his letter not be attended to within a short period, such defaulter shall be no longer considered a Member of the Society. Any Member quitting the University, or, for other reasons, desirous of withdrawing from the Society, shall give due notice to the Secretary of his intentions.

VI.

There shall be two General Meetings of the Society in the year: one on the last Saturday in January; and the other on the third Saturday in Act Term. On the former day the Accounts of

the preceding year shall be audited—the Minutes of the Committee read—and the Committee and Officers for the ensuing year appointed.

VII.

The Committee shall consist of ten Members, exclusive of the Treasurer and Secretary, who shall be Members of it *ex officio*. Any three may act: in case of an equality of votes, the Chairman shall have a second vote.

VIII.

The Committee shall meet on every Saturday, during Term, at two o'clock, for the purpose of holding ballots—ordering books and papers—and for the dispatch of any other business, which may not be deemed of sufficient importance to require the sanction of a General Meeting; which the Committee are authorized to summon whenever required.

IX.

On a vacancy occurring in the Committee, they shall, at their next meeting, appoint a new Member for the remainder of the year.

X.

Any Member of the Society shall be permitted to introduce a Non-Subscriber into the Reading

Room, upon entering his name in a book prepared for that purpose, provided such Non-Subscriber be not a permanent resident of the University or City, or of any place within five miles of Oxford. This permission, however, shall not be extended beyond one month : and no person so introduced shall be allowed to remove any book or paper from the Room.

At this Meeting, the Committee were requested to draw up a set of Regulations for the circulation of the Books. Accordingly, on the second of July, the following Rules were established.

I.

That no Publication be taken from the Room until it has remained on the table for one week, and has been properly labelled.

II.

That no Work be kept by any resident Subscriber more than fourteen days for a Quarto, or seven days for an Octavo or infra, and that no

Subscriber be allowed to have more than one Publication at the same time ; but that Country Subscribers have the liberty of keeping books three days beyond the time allowed to resident Members.

III.

That every Subscriber have the liberty of recommending any Work, in a book provided for that purpose, subject to the approval of the Committee.

IV.

That the Subscriber who recommends a Work shall have the first claim to take out such Work ; after which all other Subscribers may remove the Publication, on inserting their names in the Order Book, specifying the day on which the Work was taken out.

V.

That every Member detaining a volume or volumes longer than the period allowed and specified in the beginning of the Work, pay, for each Quarto, the sum of *one shilling*, and for every smaller volume *sixpence*, per diem, so long as the book is detained from the Reading Room.

VI.

That every volume in circulation be returned to the Reading Room before twelve o'clock of the morning on which it becomes due.

It having been notified to the Committee by Mr. Parker, that some of the London publishers were likely to send their Publications gratuitously, provided they were suffered to lie on the table of the Reading Room a sufficient time to excite the notice and attention of the Members, the Committee felt themselves called upon to resolve,

That no Works presented by the publishers be circulated until after the expiration of six months from the date of their presentation.

* * *The Subscriptions are received at the Bank of Messrs. Parsons, Robinson, and Co.*

R U L E S.

I.

The number of Subscribers shall be limited to **ONE HUNDRED AND TWENTY-FIVE**, of whom four-fifths, at least, shall be Members of the University, who shall not be eligible before they have taken the Degree of M.A. or B.C.L. One-fifth may consist of Gentlemen who are not Members of the University.

II.

All Members shall be chosen by a ballot of, at least, five Members; one black ball in five to exclude, and so in the like ratio. Seven days' notice to be given of every ballot.

III.

The name of every Candidate for admission shall be inserted in a book provided for that purpose, for at least fourteen days previously to the ballot, and a recommendation of such Candidate shall be signed by, at least, seven Members.

IV.

Ballots for Members shall take place on Saturdays during full Term. The election shall be immediately notified to the successful Candidate by the Secretary, who shall also furnish him with a printed copy of the Rules.

V.

The Annual Subscription shall be Two POUNDS, to be computed from the first of January in each year, and to be paid before the Lady Day ensuing.

VI.

Every newly-elected Member, admitted before the first of July, is required, upon his admission, to pay the whole of the Subscription for the current year; but if admitted after that time, one half only.

VII.

The Secretary shall remind each defaulter; and should his letter not be attended to, the name of such defaulter shall be put up in the room on the first of May following. Any Member whose Subscription, after such notice, remains unpaid on the first of July, shall cease to belong to the Society.

VIII.

There shall be two General Meetings of the Society in the year: one on the last Saturday in January; and the other on the third Saturday in Act Term. On the former day the Accounts of the preceding year shall be audited—the Minutes of the Committee read—and the Committee and Officers for the ensuing year appointed.

IX.

The Committee shall consist of twelve Members, (exclusive of the Treasurer and Secretary, who shall be members of it *ex officio*.) Four shall retire annually; and the names of such Gentlemen as may be proposed to fill vacancies in the Committee shall be hung up in the Reading Room for at least a fortnight before the day fixed for their appointment. Any three may act: and in case of an equality of votes, the Chairman to have a second vote.

X.

The Committee, on a vacancy occurring in their numbers, shall, at their next meeting, appoint a new Member for the remainder of the year.

XI.

The Committee shall meet on every alternate Saturday, during Term, at Two o'clock, for the purpose of ordering books and papers—and for the dispatch of any other business, which may not be deemed of sufficient importance to require the sanction of a General Meeting.

XII.

The Committee are authorized to summon a General Meeting.

XIII.

Any Member of the Society shall be permitted to introduce a Non-Subscriber into the Reading Room, upon entering his name in a book prepared for that purpose, provided such Non-Subscriber be not a permanent resident of the University or City, or of any place within five miles of Oxford. This permission, however, shall not be extended beyond one month: and no person so introduced shall be allowed to remove any book or paper from the Room.

XIV.

No Publication shall be taken from the Room until it has remained on the table for one week, and has been properly covered and labelled; but Magazines, Reviews, and Pamphlets, must remain on the table a month before they are taken out.

XV.

No work shall be kept by any Resident Member more than fourteen days for a Quarto, seven days for an Octavo, or five days for a Duodecimo or *infra*, and no Member shall be allowed to have more than one Publication at the same time; but Country Members shall have the liberty of keeping books three days beyond the time allowed to Resident Members.

XVI.

Every Member shall be at liberty to recommend any Work, in a book provided for that purpose, subject to the approval of the Committee.

XVII.

Any Member recommending a Work shall have the first claim to take out such Work, upon his entering his name in the Order Book for that purpose; after which all other Members may remove the Publication, on inserting their names in the Day Book, specifying the day on which the Work was taken out.

XVIII.

Every Member who shall detain a volume or volumes longer than the period allowed and specified in the beginning of the Work, shall pay, for each Quarto, the sum of *one shilling*, and for every smaller volume *sixpence*, per diem, so long as the book is detained from the Reading Room.

XIX.

Every volume in circulation shall be returned to the Reading Room before Twelve o'clock of the morning on which it becomes due, by the Member who has taken it out.

XX.

Those Members who wish for any of the new Publications, or for any Work already in circulation, are requested to insert their names in the **ORDER BOOK**. This will enable the servant to deliver the several books according to the order in which such names are entered.

The Member who proposes a book is entitled to purchase it at half the Publication price, at the expiration of a year after it is marked for circulation. Should the proposer waive his privilege, the Member who first enters his name for it in a book provided for that purpose is entitled to the work at the same price.

All books placed on the table are subject to this regulation, excepting books of reference, and works presented by the Authors.

It having been notified to the Committee by Mr. Parker, that some of the London Publishers were likely to send their Publications gratuitously, provided they were suffered to lie on the table of the Reading Room a sufficient time to excite the notice and attention of the Members, the Committee felt themselves called upon to Resolve,

R U L E S.

I.

The number of Subscribers shall be limited to **ONE HUNDRED AND TWENTY-FIVE**, of whom four-fifths, at least, shall be Members of the University, who shall not be eligible before they have taken the Degree of M.A. or B.C.L. One-fifth may consist of Gentlemen who are not Members of the University.

II.

All Members shall be chosen by a ballot of, at least, five Members ; one black ball in five to exclude, and so in the like ratio. Seven days' notice to be given of every ballot.

III.

The name of every Candidate for admission shall be inserted in a book provided for that purpose, for at least fourteen days previously to the ballot, and a recommendation of such Candidate shall be signed by, at least, seven Members.

IV.

Ballots for Members shall take place on Saturdays during full Term. The election shall be immediately notified to the successful Candidate by the Secretary, who shall also furnish him with a printed copy of the Rules.

V.

The Annual Subscription shall be Two POUNDS, to be computed from the first of January in each year, and to be paid before the Lady Day ensuing.

VI.

Every newly-elected Member, admitted before the first of July, is required, upon his admission, to pay the whole of the Subscription for the current year: but if admitted after that time, one half only.

VII.

The Secretary shall remind each defaulter; and should his letter not be attended to, the name of such defaulter shall be put up in the room on the first of May following. Any Member whose Subscription, after such notice, remains unpaid on the first of July, shall cease to belong to the Society.

XV.

No work shall be kept by any Resident Member more than fourteen days for a Quarto, seven days for an Octavo, or five days for a Duodecimo or infra, and no Member shall be allowed to have more than one Publication at the same time ; but Country Members shall have the liberty of keeping books three days beyond the time allowed to Resident Members.

XVI.

Every Member shall be at liberty to recommend any Work, in a book provided for that purpose, subject to the approval of the Committee.

XVII.

Any Member recommending a Work shall have the first claim to take out such Work, upon his entering his name in the Order Book for that purpose ; after which all other Members may remove the Publication, on inserting their names in the Day Book, specifying the day on which the Work was taken out.

XVIII.

Every Member who shall detain a volume or volumes longer than the period allowed and specified in the beginning of the Work, shall pay, for each Quarto, the sum of *one shilling*, and for every smaller volume *sixpence*, per diem, so long as the book is detained from the Reading Room.

XIX.

Every volume in circulation shall be returned to the Reading Room before Twelve o'clock of the morning on which it becomes due, by the Member who has taken it out.

XX.

Those Members who wish for any of the new Publications, or for any Work already in circulation, are requested to insert their names in the **ORDER BOOK**. This will enable the servant to deliver the several books according to the order in which such names are entered.

The Member who proposes a book is entitled to purchase it at half the Publication price, at the expiration of a year after it is marked for circulation. Should the proposer waive his privilege, the Member who first enters his name for it in a book provided for that purpose is entitled to the work at the same price.

All books placed on the table are subject to this regulation, excepting books of reference, and works presented by the Authors.

VIII.

There shall be two General Meetings of the Society in the year: one on the last Saturday in January; and the other on the third Saturday in Act Term. On the former day the Accounts of the preceding year shall be audited—the Minutes of the Committee read—and the Committee and Officers for the ensuing year appointed.

IX.

The Committee shall consist of twelve Members, (exclusive of the Treasurer and Secretary, who shall be members of it *ex officio*.) Four shall retire annually; and the names of such Gentlemen as may be proposed to fill vacancies in the Committee shall be hung up in the Reading Room for at least a fortnight before the day fixed for their appointment. Any three may act: and in case of an equality of votes, the Chairman to have a second vote.

X.

The Committee, on a vacancy occurring in their numbers, shall, at their next meeting, appoint a new Member for the remainder of the year.

XI.

The Committee shall meet on every alternate Saturday, during Term, at Two o'clock, for the purpose of ordering books and papers—and for the dispatch of any other business, which may not be deemed of sufficient importance to require the sanction of a General Meeting.

XII.

The Committee are authorized to summon a General Meeting.

XIII.

Any Member of the Society shall be permitted to introduce a Non-Subscriber into the Reading Room, upon entering his name in a book prepared for that purpose, provided such Non-Subscriber be not a permanent resident of the University or City, or of any place within five miles of Oxford. This permission, however, shall not be extended beyond one month : and no person so introduced shall be allowed to remove any book or paper from the Room.

XIV.

No Newspaper whatever shall be taken out of the Room. Books shall remain on the table for *one week* ; Magazines, Reviews, and Pamphlets, *a month*.

LIST OF BOOKS.

The prices in the List are those at which Members are entitled to purchase the books, according to the above regulations. They are arranged in months, and are sold in the corresponding month of the following years. N.B. Those marked () are bespoke.*

R U L E S.

I.

The number of Subscribers shall be limited to **ONE HUNDRED AND TWENTY-FIVE**, of whom four-fifths, at least, shall be Members of the University, who shall not be eligible before they have taken the Degree of M.A. or B.C.L. One-fifth may consist of Gentlemen who are not Members of the University.

II. •

All Members shall be chosen by a ballot of, at least, five Members ; one black ball in five to exclude, and so in the like ratio. Seven days' notice to be given of every ballot.

III.

The name of every Candidate for admission shall be inserted in a book provided for that purpose, for at least fourteen days previously to the ballot, and a recommendation of such Candidate shall be signed by, at least, seven Members.

IV.

Ballots for Members shall take place on Saturdays during full Term. The election shall be immediately notified to the successful Candidate by the Secretary, who shall also furnish him with, a printed copy of the Rules.

V.

The Annual Subscription shall be Two POUNDS, to be computed from the first of January in each year, and to be paid before the Lady Day ensuing.

VI.

Every newly-elected Member, admitted before the first of July, is required, upon his admission to pay the whole of the Subscription for the current year : but if admitted after that time, one half only.

VII.

The Secretary shall remind each defaulter ; and should his letter not be attended to, the name of such defaulter shall be put up in the Room on the first of May following. Any Member whose Subscription, after such notice, remains unpaid on the first of July, shall cease to belong to the Society.

VIII.

There shall be two General Meetings of the Society in the year : one on the last Saturday in January ; and the other on the third Saturday in Act Term. On the former day the Accounts of the preceding year shall be audited—the Minutes of the Committee read—and the Committee and Officers for the ensuing year appointed.

IX.

The Committee shall consist of twelve Members, (exclusive of the Treasurer and Secretary, who shall be members of it *ex officio*.) Four shall retire annually ; and the names of such Gentlemen as may be proposed to fill vacancies in the Committee shall be hung up in the Reading Room for at least a fortnight before the day fixed for their appointment. Any three may act : and in case of an equality of votes, the Chairman to have a second vote.

X.

The Committee, on a vacancy occurring in their numbers, shall, at their next meeting, appoint a new Member for the remainder of the year.

XI.

The Committee shall meet on every alternate Saturday, during Term, at Two o'clock, for the purpose of ordering books and papers—and for the dispatch of any other business, which may not be deemed of sufficient importance to require the sanction of a General Meeting.

XII.

The Committee are authorized to summon a General Meeting.

XIII.

Any Member of the Society shall be permitted to introduce a Non-Subscriber into the Reading Room, upon entering his name in a book prepared for that purpose, provided such Non-Subscriber be not a permanent resident of the University or City, or of any place within five miles of Oxford. This permission, however, shall not be extended beyond one month: and no person so introduced shall be allowed to remove any book or paper from the Room.

XIV.

No Newspaper whatever shall be taken out of the Room. Books shall remain on the table for *one week*; Magazines, Reviews, and Pamphlets, *a month*.

XV.

No work shall be kept by any Resident Member more than fourteen days for a Quarto, seven days for an Octavo, or five days for a Duodecimo or infra, and no Member shall be allowed to have more than one Publication at the same time; but Country Members shall have the liberty of keeping books three days beyond the time allowed to Resident Members.

XVI.

Every Member shall be at liberty to recommend any Work, in a book provided for that purpose, subject to the approval of the Committee.

XVII.

Any Member recommending a Work shall have the first claim to take out such Work, upon his entering his name in the Order Book for that purpose; after which all other Members may remove the Publication, on inserting their names in the Day Book, specifying the day on which the Work was taken out.

XVIII.

Every Member who shall detain a volume or volumes longer than the period allowed and specified in the beginning of the Work, shall pay, for each Quarto, the sum of *one shilling*, and for every smaller volume *sixpence*, per diem, so long as the book is detained from the Reading Room.

XIX.

Every volume in circulation shall be returned to the Reading Room before Twelve o'clock of the morning on which it becomes due, by the Member who has taken it out.

XX.

Those Members who wish for any of the new Publications, or for any Work already in circulation, are requested to insert their names in the **ORDER BOOK**. This will enable the servant to deliver the several books according to the order in which such names are entered.

The Member who proposes a book is entitled to purchase it at half the Publication price; at the expiration of a year after it is marked for circulation. Should the proposer waive his privilege, the Member who first enters his name for it in a book provided for that purpose is entitled to the work at the same price.

All books placed on the table are subject to this regulation; excepting books of reference, and works presented by the Authors.

It having been notified to the Committee by Mr. Parker, that some of the London Publishers were likely to send their Publications gratuitously, provided they were suffered to lie on the table of the Reading Room a sufficient time to excite the notice and attention of the Members, the Committee felt themselves called upon to Resolve,

That no Works presented by the Publishers be circulated until after the expiration of three Months from the date of their presentation.

An Annual Copy of the Rules and Regulations, together with a Catalogue of the books in circulation, shall be printed, and furnished to every Member of the Society.

R U L E S.

I.

The number of Subscribers shall be limited to **ONE HUNDRED AND TWENTY-FIVE**, of whom four-fifths, at least, shall be Members of the University, who shall not be eligible before they have taken the Degree of M.A. or B.C.L. One-fifth may consist of Gentlemen who are not Members of the University.

II.

All Members shall be chosen by a ballot of, at least, five Members; one black ball in five to exclude, and so in the like ratio. Seven days' notice to be given of every ballot.

III.

The name of every Candidate for admission shall be inserted in a book provided for that purpose, for at least fourteen days previously to the ballot, and a recommendation of such Candidate shall be signed by, at least, seven Members.

IV.

Ballots for Members shall take place on Saturdays during full Term. The election shall be immediately notified to the successful Candidate by the Secretary, who shall also furnish him with a printed copy of the Rules.

V.

The Annual Subscription shall be Two POUNDS, to be computed from the first of January in each year, and to be paid before the Lady Day ensuing.

VI.

Every newly-elected Member, admitted before the first of July, is required, upon his admission, to pay the whole of the Subscription for the current year: but if admitted after that time, one half only.

VII.

The Secretary shall remind each defaulter; and should his letter not be attended to, the name of such defaulter shall be put up in the Room on the first of May following. Any Member whose Subscription, after such notice, remains unpaid on the first of July, shall cease to belong to the Society.

VIII.

There shall be two General Meetings of the Society in the year: one on the last Saturday in January; and the other on the third Saturday in Act Term. On the former day the Accounts of the preceding year shall be audited—the Minutes of the Committee read—and the Committee and Officers for the ensuing year appointed.

IX.

The Committee shall consist of twelve Members, (exclusive of the Treasurer and Secretary, who shall be members of it *ex officio*.) Four shall retire annually; and the names of such Gentlemen as may be proposed to fill vacancies in the Committee shall be hung up in the Reading Room for at least a fortnight before the day fixed for their appointment. Any three may act: and in case of an equality of votes, the Chairman to have a second vote.

X.

The Committee, on a vacancy occurring in their numbers, shall, at their next meeting, appoint a new Member for the remainder of the year.

XI.

The Committee shall meet on every alternate Saturday, during Term, at Two o'clock, for the purpose of ordering books and papers—and for the dispatch of any other business, which may not be deemed of sufficient importance to require the sanction of a General Meeting.

XII.

The Committee are authorized to summon a General Meeting.

XIII.

Any Member of the Society shall be permitted to introduce a Non-Subscriber into the Reading Room, upon entering his name in a book prepared for that purpose, provided such Non-Subscriber be not a permanent resident of the University or City, or of any place within five miles of Oxford. This permission, however, shall not be extended beyond one month : and no person so introduced shall be allowed to remove any book or paper from the Room.

XIV.

No Newspaper whatever shall be taken out of the Room. Books shall remain on the table for *one week* ; Magazines, Reviews, and Pamphlets, a *month*.

XV.

No work shall be kept by any Resident Member more than fourteen days for a Quarto, seven days for an Octavo, or five days for a Duodecimo or infra, and no Member shall be allowed to have more than one Publication at the same time; but Country Members shall have the liberty of keeping books three days beyond the time allowed to Resident Members.

XVI.

Every Member shall be at liberty to recommend any Work, in a book provided for that purpose, subject to the approval of the Committee.

XVII.

Any Member recommending a Work shall have the first claim to take out such Work, upon his entering his name in the Order Book for that purpose; after which all other Members may remove the Publication, on inserting their names in the Day Book, specifying the day on which the Work was taken out.

XVIII.

Every Member who shall detain a volume or volumes longer than the period allowed and specified in the beginning of the Work, shall pay, for each Quarto, the sum of *one shilling*, and for every smaller volume *sixpence*, per diem, so long as the book is detained from the Reading Room.

XIX.

Every volume in circulation shall be returned to the Reading Room before Twelve o'clock of the morning on which it becomes due, by the Member who has taken it out.

XX.

Those Members who wish for any of the new Publications, or for any Work already in circulation, are requested to insert their names in the **ORDER Book**. This will enable the servant to deliver the several books according to the order in which such names are entered.

The Member who proposes a book is entitled to purchase it at half the Publication price, at the expiration of a year after it is marked for circulation. Should the proposer waive his privilege, the Member who first enters his name for it in a book provided for that purpose is entitled to the work at the same price.

All books placed on the table are subject to this regulation, excepting books of reference, and works presented by the Authors.

It having been notified to the Committee by Mr. Parker, that some of the London Publishers were likely to send their Publications gratuitously, provided they were suffered to lie on the table of the Reading Room a sufficient time to excite the notice and attention of the Members, the Committee felt themselves called upon to Resolve,

That no Works presented by the Publishers be circulated until after the expiration of three Months from the date of their presentation.

An Annual Copy of the Rules and Regulations, together with a Catalogue of the books in circulation, shall be printed, and furnished to every Member of the Society.

** * The Subscriptions are received at the Bank of
Messrs. Parsons, Robinson, and Co.*

R U L E S.

I.

The number of Subscribers shall be limited to **ONE HUNDRED AND TWENTY-FIVE**, of whom four-fifths, at least, shall be Members of the University, who shall not be eligible before they have taken the Degree of M.A. or B.C.L. One-fifth may consist of Gentlemen who are not Members of the University.

II.

All Members shall be chosen by a ballot of, at least, five Members; one black ball in five to exclude, and so in the like ratio. Seven days' notice to be given of every ballot.

III.

The name of every Candidate for admission shall be inserted in a book provided for that purpose, for at least fourteen days previously to the ballot, and a recommendation of such Candidate shall be signed by, at least, seven Members.

IV.

Ballots for Members shall take place on Saturdays during full Term. The election shall be immediately notified to the successful Candidate by the Secretary, who shall also furnish him with a printed copy of the Rules.

V.

The Annual Subscription shall be Two POUNDS, to be computed from the first of January in each year, and to be paid before the Lady Day ensuing.

VI.

Every newly-elected Member, admitted before the first of July, is required, upon his admission, to pay the whole of the Subscription for the current year: but if admitted after that time, one half only.

VII.

The Secretary shall remind each defaulter; and should his letter not be attended to, the name of such defaulter shall be put up in the Room on the first of May following. Any Member whose Subscription, after such notice, remains unpaid on the first of July, shall cease to belong to the Society.

VIII.

There shall be two General Meetings of the Society in the year: one on the last Saturday in January; and the other on the third Saturday in Act Term. On the former day the Accounts of the preceding year shall be audited—the Minutes of the Committee read—and the Committee and Officers for the ensuing year appointed.

IX.

The Committee shall consist of twelve Members, (exclusive of the Treasurer and Secretary, who shall be members of it *ex officio*.) Four shall retire annually; and the names of such Gentlemen as may be proposed to fill vacancies in the Committee shall be hung up in the Reading Room for at least a fortnight before the day fixed for their appointment. Any three may act: and in case of an equality of votes, the Chairman to have a second vote.

X.

The Committee, on a vacancy occurring in their numbers, shall, at their next meeting, appoint a new Member for the remainder of the year.

XI.

The Committee shall meet on every alternate Saturday, during Term, at Two o'clock, for the purpose of ordering books and papers—and for the dispatch of any other business, which may not be deemed of sufficient importance to require the sanction of a General Meeting.

XII.

The Committee are authorized to summon a General Meeting.

XIII.

Any Member of the Society shall be permitted to introduce a Non-Subscriber into the Reading Room, upon entering his name in a book prepared for that purpose, provided such Non-Subscriber be not a permanent resident of the University or City, or of any place within five miles of Oxford. This permission, however, shall not be extended beyond one month: and no person so introduced shall be allowed to remove any book or paper from the Room.

XIV.

No Newspaper whatever shall be taken out of the Room. Books shall remain on the table for *one week*; Magazines, Reviews, and Pamphlets, *a month*.

XV.

No work shall be kept by any Resident Member more than fourteen days for a Quarto, seven days for an Octavo, or five days for a Duodecimo or infra, and no Member shall be allowed to have more than one Publication at the same time ; but Country Members shall have the liberty of keeping books three days beyond the time allowed to Resident Members.

XVI.

Every Member shall be at liberty to recommend any work, in a book provided for that purpose, subject to the approval of the Committee.

XVII.

Any Member recommending a Work shall have the first claim to take out such Work, upon his entering his name in the Order Book for that purpose ; after which all other Members may remove the Publication, on inserting their names in the Day Book, specifying the day on which the Work was taken out.

XVIII.

Every Member who shall detain a volume or volumes longer than the period allowed and specified in the beginning of the Work, shall pay, for each Quarto, the sum of *one shilling*, and for every smaller volume *sixpence*, per diem, so long as the book is detained from the Reading Room.

XIX.

Every volume in circulation shall be returned to the Reading Room before Twelve o'clock of the morning on which it becomes due, by the Member who has taken it out.

XX.

Those Members who wish for any of the new Publications, or for any Work already in circulation, are requested to insert their names in the ORDER BOOK. This will enable the servant to deliver the several books according to the order in which such names are entered.

The Member who proposes a book is entitled to purchase it at half the Publication price, at the expiration of a year after it is marked for circulation. Should the proposer waive his privilege, the Member who first enters his name for it in a book provided for that purpose is entitled to the work at the same price.

All books placed on the table are subject to this regulation, excepting books of reference, and works presented by the Authors.

It having been notified to the Committee by Mr. Parker, that some of the London Publishers were likely to send their Publications gratuitously, provided they were suffered to lie on the table of the Reading Room a sufficient time to excite the notice and attention of the Members, the Committee felt themselves called upon to Resolve,

That no Works presented by the Publishers be circulated until after the expiration of three Months from the date of their presentation.

An Annual Copy of the Rules and Regulations, together with a Catalogue of the books in circulation, shall be printed, and furnished to every Member of the Society.

** * The Subscriptions are received at the Bank of
Messrs. Parsons, Robinson, and Co.*

R U L E S.

I.

The number of Subscribers shall be limited to **ONE HUNDRED AND TWENTY-FIVE**, of whom four-fifths, at least, shall be Members of the University, who shall not be eligible before they have taken the Degree of M.A. or B.C.L. One-fifth may consist of Gentlemen who are not Members of the University.

II.

All Members shall be chosen by a ballot of, at least, five Members; one black ball in five to exclude, and so in the like ratio. Seven days' notice to be given of every ballot.

III.

The name of every Candidate for admission shall be inserted in a book provided for that purpose, for at least fourteen days previously to the ballot, and a recommendation of such Candidate shall be signed by, at least, seven Members.

IV.

Ballots for Members shall take place on Saturdays during full Term. The election shall be immediately notified to the successful Candidate by the Secretary, who shall also furnish him with a printed copy of the Rules.

V.

The Annual Subscription shall be Two POUNDS, to be computed from the first of January in each year, and to be paid before the Lady Day ensuing.

VI.

Every newly-elected Member, admitted before the first of July, is required, upon his admission, to pay the whole of the Subscription for the current year: but if admitted after that time, one half only.

VII.

The Secretary shall remind each defaulter; and should his letter not be attended to, the name of such defaulter shall be put up in the Room on the first of May following. Any Member whose Subscription, after such notice, remains unpaid on the first of July, shall cease to belong to the Society.

VIII.

There shall be two General Meetings of the Society in the year: one on the last Saturday in January; and the other on the third Saturday in Act Term. On the former day the Accounts of the preceding year shall be audited—the Minutes of the Committee read—and the Committee and Officers for the ensuing year appointed.

IX.

The Committee shall consist of twelve Members, (exclusive of the Treasurer and Secretary, who shall be members of it *ex officio*.) Four shall retire annually; and the names of such Gentlemen as may be proposed to fill vacancies in the Committee shall be hung up in the Reading Room for at least a fortnight before the day fixed for their appointment. Any three may act: and in case of an equality of votes, the Chairman to have a second vote.

X.

The Committee, on a vacancy occurring in their numbers, shall, at their next meeting, appoint a new Member for the remainder of the year.

XI.

The Committee shall meet on every alternate Saturday, during Term, at Two o'clock, for the purpose of ordering books and papers—and for the dispatch of any other business, which may not be deemed of sufficient importance to require the sanction of a General Meeting.

XII.

The Committee are authorized to summon a General Meeting.

XIII.

Any Member of the Society shall be permitted to introduce a Non-Subscriber into the Reading Room, upon entering his name in a book prepared for that purpose, provided such Non-Subscriber be not a permanent resident of the University or City, or of any place within five miles of Oxford. This permission, however, shall not be extended beyond one month: and no person so introduced shall be allowed to remove any book or paper from the Room.

XIV.

No Newspaper whatever shall be taken out of the Room. Books shall remain on the table for *one week*; Magazines, Reviews, and Pamphlets, *a month*.

XV.

No Work shall be kept by any Resident Member more than fourteen days for a Quarto, seven days for an Octavo, or five days for a Duodecimo or infra, and no Member shall be allowed to have more than one Publication at the same time ; but Country Members shall have the liberty of keeping books three days beyond the time allowed to Resident Members.

XVI.

Every Member shall be at liberty to recommend any Work, in a book provided for that purpose, subject to the approval of the Committee.

XVII.

Any Member recommending a Work shall have the first claim to take out such Work, upon his entering his name in the Order Book for that purpose ; after which all other Members may remove the Publication, on inserting their names in the Day Book, specifying the day on which the Work was taken out.

XVIII.

Every Member who shall detain a volume or volumes longer than the period allowed and specified in the beginning of the Work, shall pay, for each Quarto, the sum of *one shilling*, and for every smaller volume *sixpence*, per diem, so long as the book is detained from the Reading Room.

XIX.

Every volume in circulation shall be returned to the Reading Room before Twelve o'clock of the morning on which it becomes due, by the Member who has taken it out.

XX.

Those Members who wish for any of the new Publications, or for any Work already in circulation, are requested to insert their names in the **ORDER BOOK**. This will enable the servant to deliver the several books according to the order in which such names are entered.

The Member who proposes a book is entitled to purchase it at half the Publication price, at the expiration of a year after it is marked for circulation. Should the proposer waive his privilege, the Member who first enters his name for it in a book provided for that purpose is entitled to the work at the same price.

All books placed on the table are subject to this regulation, excepting books of reference, and works presented by the Authors.

It having been notified to the Committee by Mr. Parker, that some of the London Publishers were likely to send their Publications gratuitously, provided they were suffered to lie on the table of the Reading Room a sufficient time to excite the notice and attention of the Members, the Committee felt themselves called upon to Resolve,

That no Works presented by the Publishers be circulated until after the expiration of three Months from the date of their presentation.

An Annual Copy of Rules and Regulations, together with a Catalogue of the books in circulation, shall be printed, and furnished to every Member of the Society.

* * *The Subscriptions are received at the Bank of
Messrs. Parsons, Robinson, and Co.*

R U L E S.

I.

The number of Subscribers shall be limited to ONE HUNDRED AND TWENTY-FIVE, of whom four-fifths, at least, shall be Members of the University, who shall not be eligible before they have taken the Degree of M.A. or B.C.L. One-fifth may consist of Gentlemen who are not Members of the University.

II.

All Members shall be chosen by a ballot of, at least, five Members; one black ball in five to exclude, and so in the like ratio. Seven days' notice to be given of every ballot.

III.

The name of every Candidate for admission shall be inserted in a book provided for that purpose, for at least fourteen days previously to the ballot, and a recommendation of such Candidate shall be signed by, at least, seven Members.

IV.

Ballots for Members shall take place on Saturdays during full Term. The election shall be immediately notified to the successful Candidate by the Secretary, who shall also furnish him with a printed copy of the Rules.

V.

The Annual Subscription shall be Two POUNDS, to be computed from the first of January in each year, and to be paid before the Lady Day ensuing.

VI.

Every newly-elected Member, admitted before the first of July, is required, upon his admission, to pay the whole of the Subscription for the current year: but if admitted after that time, one half only.

VII.

The Secretary shall remind each defaulter; and should his letter not be attended to, the name of such defaulter shall be put up in the Room on the first of May following. Any Member whose Subscription, after such notice, remains unpaid on the first of July, shall cease to belong to the Society.

VIII.

There shall be two General Meetings of the Society in the year: one on the last Saturday in January; and the other on the third Saturday in Act Term. On the former day the Accounts of the preceding year shall be audited—the Minutes of the Committee read—and the Committee and Officers for the ensuing year appointed.

IX.

The Committee shall consist of twelve Members, (exclusive of the Treasurer and Secretary, who shall be members of it *ex officio*.) Four shall retire annually; and the names of such Gentlemen as may be proposed to fill vacancies in the Committee shall be hung up in the Reading Room for at least a fortnight before the day fixed for their appointment. Any three may act: and in case of an equality of votes, the Chairman to have a second vote.

X.

The Committee, on a vacancy occurring in their numbers, shall, at their next Meeting, appoint a new Member for the remainder of the year.

XI.

The Committee shall meet on every alternate Saturday, during Term, at Two o'clock, for the purpose of ordering books and papers—and for the dispatch of any other business, which may not be deemed of sufficient importance to require the sanction of a General Meeting.

XII.

The Committee are authorized to summon a General Meeting.

XIII.

Any Member of the Society shall be permitted to introduce a Non-Subscriber into the Reading Room, upon entering his name in a book prepared for that purpose, provided such Non-Subscriber be not a permanent resident of the University or City, or of any place within five miles of Oxford. This permission, however, shall not be extended beyond one month: and no person so introduced shall be allowed to remove any book or paper from the Room.

XIV.

No Newspaper whatever shall be taken out of the Room. Books shall remain on the table for *one week*; Magazines, Reviews, and Pamphlets, *a month*.

XV.

No Work shall be kept by any Resident Member more than fourteen days for a Quarto, seven days for an Octavo, or five days for a Duodecimo or infra, and no Member shall be allowed to have more than one Publication at the same time; but Country Members shall have the liberty of keeping books three days beyond the time allowed to Resident Members.

XVI.

Every Member shall be at liberty to recommend any Work, in a book provided for that purpose, subject to the approval of the Committee.

XVII.

Any Member recommending a Work shall have the first claim to take out such Work, upon his entering his name in the Order Book for that purpose; after which all other Members may remove the Publication, on inserting their names in the Day Book, specifying the day on which the Work was taken out.

XVIII.

Every Member who shall detain a volume or volumes longer than the period allowed and specified in the beginning of the Work, shall pay, for each Quarto, the sum of *one shilling*, and for every smaller volume *sixpence*, per diem, so long as the book is detained from the Reading Room.

XIX.

Every volume in circulation shall be returned to the Reading Room before Twelve o'clock of the morning on which it becomes due, by the Member who has taken it out.

XX.

Those Members who wish for any of the new Publications, or for any Work already in circulation, are requested to insert their names in the ORDER BOOK. This will enable the servant to deliver the several books according to the order in which such names are entered.

The Member who proposes a book is entitled to purchase it at half the Publication price, at the expiration of a year after it is marked for circulation. Should the proposer waive his privilege, the Member who first enters his name for it in a book provided for that purpose is entitled to the Work at the same price.

All books placed on the table are subject to this regulation, excepting books of reference, and Works presented by the Authors.

It having been notified to the Committee by Mr. Parker, that some of the London Publishers were likely to send their Publications gratuitously, provided they were suffered to lie on the table of the Reading Room a sufficient time to excite the notice and attention of the Members, the Committee felt themselves called upon to Resolve,

That no Works presented by the Publishers be circulated until after the expiration of three Months from the date of their presentation.

An Annual Copy of Rules and Regulations, together with a Catalogue of the books in circulation, shall be printed, and furnished to every Member of the Society.

**** The Subscriptions are received at the Bank of
Messrs. Parsons, Robinson, and Co.*

R U L E S.

I.

THE number of Subscribers shall be limited to ONE HUNDRED, of whom four-fifths, at least, shall be Members of the University, who shall not be eligible before they have taken the Degree of M.A. or B.C.L. One-fifth of the actual number may consist of Gentlemen who are not Members of the University.

II.

All Members shall be chosen by a ballot of, at least, five Members; one black ball in five to exclude, and so in the like ratio. Seven days' notice to be given of every ballot.

III.

The name of every Candidate for admission shall be inserted in a book provided for that purpose, for at least fourteen days previously to the ballot, and a recommendation of such Candidate shall be signed by, at least, seven Members.

IV.

Ballots for Members shall take place on Saturdays during full Term. The election shall be immediately notified to the successful Candidate by the Secretary, who shall also furnish him with a printed copy of the Rules.

V.

The Annual Subscription shall be Two POUNDS, to be computed from the first of January in each year, and to be paid before the Lady Day ensuing.

VI.

Every newly-elected Member, admitted before the first of July, is required, upon his admission, to pay the whole of the Subscription for the current year: but if admitted after that time, one half only.

VII.

The Secretary shall remind each defaulter; and should his letter not be attended to, the name of such defaulter shall be put up in the Room on the first of May following. Any Member whose Subscription, after such notice, remains unpaid on the first of July, shall cease to belong to the Society.

VIII.

There shall be two General Meetings of the Society in the year : one on the last Saturday in January ; and the other on the third Saturday in Act Term. On the former day the Accounts of the preceding year shall be audited—the Minutes of the Committee read—and the Committee and Officers for the ensuing year appointed.

IX.

The Committee shall consist of twelve Members, (exclusive of the Treasurer and Secretary, who shall be members of it *ex officio*.) Four shall retire annually ; and the names of such Gentlemen as may be proposed to fill vacancies in the Committee shall be hung up in the Reading Room for at least a fortnight before the day fixed for their appointment. Any three may act : and in case of an equality of votes, the Chairman to have a second vote.

X.

The Committee, on a vacancy occurring in their numbers, shall, at their next Meeting, appoint a new Member for the remainder of the year.

XI.

The Committee shall meet on every alternate Saturday, during Term, at Two o'clock, for the purpose of ordering books and papers—and for the dispatch of any other business, which may not be deemed of sufficient importance to require the sanction of a General Meeting.

XII.

The Committee are authorized to summon a General Meeting.

XIII.

Any Member of the Society shall be permitted to introduce a Non-Subscriber into the Reading Room, upon entering his name in a book prepared for that purpose, provided such Non-Subscriber be not a permanent resident of the University or City, or of any place within five miles of Oxford. This permission, however, shall not be extended beyond one month : and no person so introduced shall be allowed to remove any book or paper from the Room.

XIV.

No Newspaper whatever shall be taken out of the Room. Books shall remain on the table for *one week* ; Magazines, Reviews, and Pamphlets, *a month*.

XV.

No Work shall be kept by any Resident Member more than seven days for each Quarto volume, five days for each Octavo, and three days for a Duodecimo or lesser sized volume; and no Member shall be allowed to have more than one Publication at the same time.

XVI.

Every Member shall be at liberty to recommend any Work, in a book provided for that purpose, subject to the approval of the Committee.

XVII.

Any Member recommending a Work shall have the first claim to take out such Work, upon his entering his name in the Order Book for that purpose; after whom all other Members may remove the Publication, on inserting their names in the Day Book, specifying the days on which the Work was taken out and returned.

XVIII.

Every Member who shall detain a volume or volumes longer than the period allowed and specified in the beginning of the Work, shall be liable to a fine for each volume of *sixpence* per diem, so long as the book is detained from the Reading Room.

XIX.

Every Member, who shall remove a Volume or Volumes, without entering its title with his Name in the Register kept for the purpose, shall pay a Fine of Two Shillings and Sixpence.

XX.

Every volume in circulation shall be returned to the Reading Room before Two o'clock of the day on which it becomes due, by the Member who has taken it out.

XXI.

Those Members who wish for any of the new Publications, or for any Work already in circulation, are requested to insert their names in the ORDER Book.

XXII.

All Books which have been two years in circulation, except Books of Reference, and Publications forming part of the Permanent Library, to be disposed of by Auction at the end of each year.

XXIII.

Subscribers wishing to resign must intimate their intention in writing, to the Secretary. Resignations will take effect from the 1st of January subsequent to such intimation.

XXIV.

The Room is open only from nine o'Clock in the morning until ten o'Clock in the evening.

XXV.

An Annual Copy of Rules and Regulations, together with a Catalogue of the books in circulation, shall be printed, and furnished to every Member of the Society.

RULES.

I.

The number of Subscribers shall be limited to ONE HUNDRED, of whom four-fifths, at least, shall be Members of the University, who shall not be eligible before they have taken the Degree of M.A. or B.C.L. One-fifth of the actual number may consist of Gentlemen who are not Members of the University.

II.

All Members shall be chosen by a ballot of, at least, five Members; one black ball in five to exclude, and so in the like ratio. Seven days' notice to be given of every ballot.

III.

The name of every Candidate for admission shall be inserted in a book provided for that purpose, for at least fourteen days previously to the ballot, and a recommendation of such Candidate shall be signed by, at least, seven Members.

IV.

Ballots for Members shall take place on Saturdays during full Term. The election shall be immediately notified to the successful Candidate by the Secretary, who shall also furnish him with a printed copy of the Rules.

V.

The Annual Subscription shall be Two Pounds, to be computed from the first of January in each year, and to be paid before the Lady Day ensuing.

VI.

Every newly-elected Member, admitted before the first of July, is required, upon his admission, to pay the whole of the Subscription for the current year: but if admitted after that time, one half only.

VII.

The Secretary shall remind each defaulter; and should his letter not be attended to, the name of such defaulter shall be put up in the Room on the first of May following. Any Member whose Subscription, after such notice, remains unpaid on the first of July, shall cease to belong to the Society.

VIII.

There shall be two General Meetings of the Society in the year : one on the last Saturday in January ; and the other on the third Saturday in Act Term. On the former day the Accounts of the preceding year shall be audited—the Minutes of the Committee read—and the Committee and Officers for the ensuing year appointed.

IX.

The Committee shall consist of twelve Members, (exclusive of the Treasurer and Secretary, who shall be members of it *ex-officio*.) Four shall retire annually ; and the names of such Gentlemen as may be proposed to fill vacancies in the Committee shall be hung up in the Reading Room for at least a fortnight before the day fixed for their appointment. Any three may act : and in case of an equality of votes, the Chairman to have a second vote.

X.

The Committee, on a vacancy occurring in their numbers, shall, at their next Meeting, appoint a new Member for the remainder of the year.

XI.

The Committee shall meet on every alternate Saturday, during Term, at Two o'clock, for the purpose of ordering books and papers—and for the dispatch of any other business, which may not be deemed of sufficient importance to require the sanction of a General Meeting.

XII.

The Committee are authorised to summon a General Meeting.

XIII.

Any Member of the Society shall be permitted to introduce a Non-Subscriber into the Reading Room, upon entering his name in a book prepared for that purpose, provided such Non-Subscriber be not a permanent resident of the University or City, or of any place within five miles of Oxford. This permission, however, shall not be extended beyond one month: and no person so introduced shall be allowed to remove any book or paper from the Room.

XIV.

No Newspaper whatever shall be taken out of the Room. Books shall remain on the table for *one week*; Magazines, Reviews, and Pamphlets, *a month*.

XV.

No Work shall be kept by any Resident Member more than seven days for each Quarto volume, five days for each Octavo, and three days for a Duodecimo or lesser sized volume ; and no Member shall be allowed to have more than one Publication at the same time.

XVI.

Every Member shall be at liberty to recommend any Work, in a book provided for that purpose, subject to the approval of the Committee.

XVII.

Any Member recommending a Work shall have the first claim to take out such Work, upon his entering his name in the Order Book for that purpose ; after whom all other Members may remove the Publication, on inserting their names in the Day Book, specifying the days on which the Work was taken out and returned.

XVIII.

Every Member who shall detain a volume or volumes longer than the period allowed and specified in the beginning of the Work, shall be liable to a fine for each volume of *sixpence* per diem, so long as the book is detained from the Reading Room.

XIX.

Every Member, who shall remove a Volume or Volumes, without entering its title with his Name in the Register kept for the purpose, shall pay a Fine of Two Shillings and Sixpence.

XX.

Every volume in circulation shall be returned to the Reading Room before Two o'clock of the day on which it becomes due, by the Member who has taken it out.

XXI.

Those Members who wish for any of the new Publications, or for any Work already in circulation, are requested to insert their names in the **ORDER BOOK**.

XXII.

All Books which have been two years in circulation, except Books of Reference, and Publications forming part of the Permanent Library, to be disposed of by Auction at the end of each year.

XXIII.

Subscribers wishing to resign must intimate their intention in writing, to the Secretary. Resignations will take effect from the 1st of January subsequent to such intimation.

XXIV.

The Room is open only from nine o'clock in the morning until ten o'clock in the evening.

XXV.

An Annual Copy of Rules and Regulations, together with a Catalogue of the books in circulation, shall be printed and furnished to every Member of the Society.

R U L E S .

I.

The number of Subscribers shall be limited to ONE HUNDRED, of whom four-fifths, at least, shall be Members of the University, who shall not be eligible before they have taken the Degree of M.A. or B.C.L. One-fifth of the actual number may consist of Gentlemen who are not Members of the University.

II.

All Members shall be chosen by a ballot of, at least, five Members; one black ball in five to exclude, and so in the like ratio. Seven days' notice to be given of every ballot.

III.

The name of every Candidate for admission shall be inserted in a book provided for that purpose, for at least fourteen days previously to the ballot, and a recommendation of such Candidate shall be signed by, at least, seven Members.

IV.

Ballots for Members shall take place on Saturdays during full Term. The election shall be immediately notified to the successful Candidate by the Secretary, who shall also furnish him with a printed copy of the Rules.

V.

The Annual Subscription shall be Two Pounds, to be computed from the first of January in each year, and to be paid before the Lady Day ensuing.

VI.

Every newly-elected Member, admitted before the first of July, is required, upon his admission, to pay the whole of the Subscription for the current year : but if admitted after that time, one half only.

VII.

The Secretary shall remind each defaulter ; and should his letter not be attended to, the name of such defaulter shall be put up in the Room on the first of May following. Any Member whose Subscription, after such notice, remains unpaid on the first of July, shall cease to belong to the Society.

There shall be two General Meetings of the Society in the year: one on the last Saturday in January; and the other on the third Saturday in Act Term. On the former day the Accounts of the preceding year shall be audited—the Minutes of the Committee read—and the Committee and Officers for the ensuing year appointed.

IX.

The Committee shall consist of twelve Members, (exclusive of the Treasurer and Secretary, who shall be members of it *ex-officio*.) Four shall retire annually; and the names of such Gentlemen as may be proposed to fill vacancies in the Committee shall be hung up in the Reading Room for at least a fortnight before the day fixed for their appointment. Any three may act: and in case of an equality of votes, the Chairman to have a second vote.

X.

The Committee, on a vacancy occurring in their numbers, shall, at their next meeting, appoint a new Member for the remainder of the year.

XI.

The Committee shall meet on every alternate Saturday, during Term, at Two o'clock, for the purpose of ordering books and papers—and for the dispatch of any other business, which may not be deemed of sufficient importance to require the sanction of a General Meeting.

XII.

The Committee are authorised to summon a General Meeting.

XIII.

Any Member of the Society shall be permitted to introduce a Non-Subscriber into the Reading Room, upon entering his name in a book prepared for that purpose, provided such Non-Subscriber be not a permanent resident of the University or City, or of any place within five miles of Oxford. This permission, however, shall not be extended beyond one month : and no person so introduced shall be allowed to remove any book or paper from the Room.

XIV.

No Newspaper whatever shall be taken out of the Room. Books shall remain on the table for *one week* ; Magazines, Reviews, and Pamphlets, *a month*.

XV.

No Work shall be kept by any Resident Member more than seven days for each Quarto volume, five days for each Octavo, and three days for a Duodecimo or lesser sized volume ; and no Member shall be allowed to have more than one Publication at the same time.

XVI.

Every Member shall be at liberty to recommend any Work, in a book provided for that purpose, subject to the approval of the Committee.

XVII.

Any Member recommending a Work shall have the first claim to take out such Work, upon his entering his name in the Order Book for that purpose ; after whom all other Members may remove the Publication, on inserting their names in the Day Book, specifying the days on which the Work was taken out and returned.

XVIII.

Every Member who shall detain a volume or volumes longer than the period allowed and specified in the beginning of the Work, shall be liable to a fine for each volume of *sixpence* per diem, so long as the book is detained from the Reading Room.

XIX.

Every Member, who shall remove a Volume or Volumes, without entering its title with his Name in the Register kept for the purpose, shall pay a Fine of Two Shillings and Sixpence.

XX.

Every volume in circulation shall be returned to the Reading Room before Two o'clock of the day on which it becomes due, by the Member who has taken it out.

XXI.

Those Members who wish for any of the new Publications, or for any Work already in circulation, are requested to insert their names in the ORDER BOOK.

XXII.

All Books which have been two years in circulation, except Books of Reference, and Publications forming part of the Permanent Library, to be disposed of by Auction at the end of each year.

XXII.

Subscribers wishing to resign must intimate their intention in writing, to the Secretary. Resignations will take effect from the 1st of January subsequent to such intimation.

XXIV.

The Room is open only from nine o'clock in the morning until ten o'clock in the evening.

XXV.

An Annual Copy of Rules and Regulations, together with a Catalogue of the books in circulation, shall be printed and furnished to every Member of the Society.
